Teacher Answer Key

Case Study

1. Property tax disparities and historic housing policies concentrate wealth in one district, leading to better-funded schools and resources at Valley Central compared to Riverview High.

2. Merging or open-enrollment policies could diversify student populations, equalize funding, and facilitate more equitable distribution of educational resources.

Multiple Choice

1. C

2. D

3. B

Matching

1-E, 2-C, 3-B, 4-A, 5-D

Fill-in-the-Blank

1) Ethnic enclave, 2) Segregation, 3) Multiculturalism

Short Answer (Sample Responses)

Q1: Enclaves provide comfort, cultural resources, and social networks, but can limit language immersion and broader integration opportunities.

Q2: Social geography looks at how cultural, economic, and policy-based factors influence where people live and what resources they access, revealing patterns of inequality.

Q3: Anti-bullying campaigns, multicultural curricula, fair funding, and policies encouraging diverse enrollment are ways to reduce discrimination in educational settings.
