3. A

Matching

1-D, 2-E, 3-A, 4-C, 5-B

Fill-in-the-Blank

1) Pilgrimage, 2) Ethnic, 3) Hajj

Short Answer (Sample Responses)

Q1: Pilgrimages boost local businesses, lodging, and services, while also deepening the region's spiritual character and reputation as a holy place.

Q2: Different faiths contribute diverse traditions and celebrations, but competing claims over sacred sites or religious practices can cause disputes.

Q3: Implementing waste management, crowd limitations, infrastructure upgrades, and environmental regulations can help protect natural resources.
